

Roberts' Room News
for the week of
December 17, 2012

Dear Parents,

This week, during workshop, we will focus on a holiday story each day. With the story read, we will complete story maps writing about the characters, setting, problem, and solution of the story, we will write about the events of the story in order, and we will identify the main idea of the story. We will also review the consonant digraphs th, ch, sh, and wh.

In science, we will be working with a team to create a board game about the day and night sky. Once we create these board games, students will play the board games to review facts about the Earth, moon, and sun.

Our holiday party will be Wednesday immediately after lunch. Thanks to all who have worked planning and preparing for the party. The children will be so excited!

Specials for the week will be:

Mon. P.E.

Tues. Art

Wed. Media

Thurs. P.E.

Other than reading, we will not have homework this week. I know all are very busy at this time of year.

I wish all a very joyous holiday break!

Sincerely,

Mary Presson Roberts
